## County Beauty Contest Packs the Saenger

There was standing room only Tuesday night at Hope's Saenger theater when the 10 nominees for the title of "Miss Hempstead County" paraded across the stage.

Grecia Wortham, 17, of McCaskill, was judged the fairest of them all. She will represent Hempstead in the 18-county competition for queen of the Third District Livestock Show at Fair Park's Coliseum in September.

The girls appeared first in bathing suits, then in evening gowns — and returned to the stage in bathing suits for the final judging.

The field of 10 was reduced to five in the final appearance. With Miss Steele was voted the friendliest girl.

George T. Frazier handled the show as master of ceremonies. R. C. (Bob) Daniels, Stock Show secretary-manager, made a pre-show address thanking the crowd for the interest in this year's Fair Park event and for all the work that went into the staging of the beauty pageant. He said similar competitions are being held throughout southwest Arkansas and a record crowd is expected when the Stock Show queen is chosen and crowned on the opening night late in September.

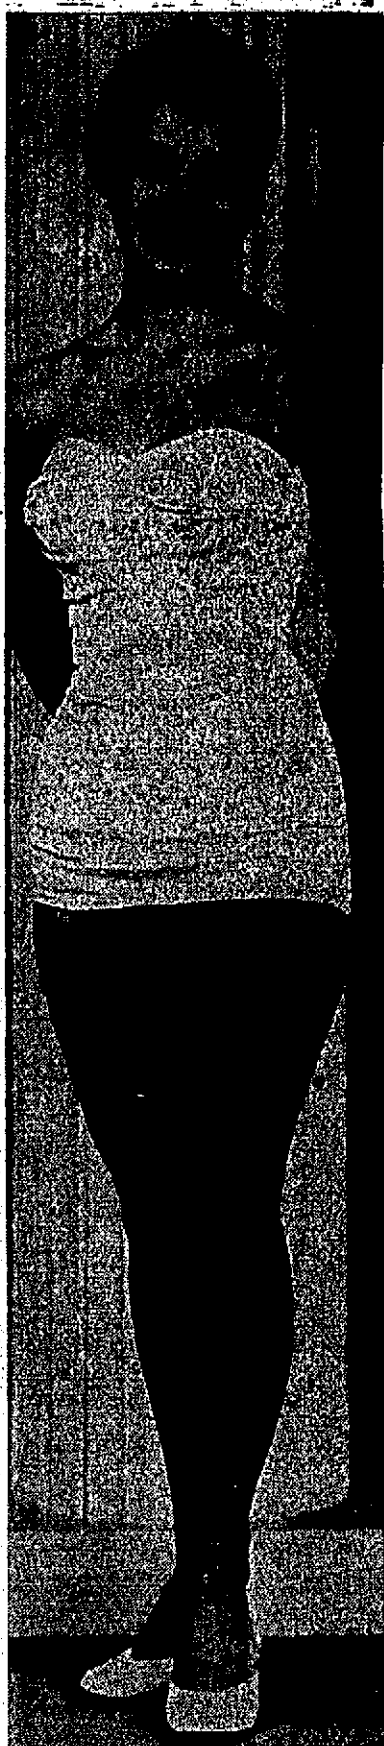

Mr. Daniels gave special credit to Don Parker, promotion manager for the Lions club; Saenger Manager Henry Seamans; and Hope Star, for helping put together Tuesday night's beautiful and successful stage show.

Besides the beauties parading across the stage there was an outstanding musical program. Luther Blanton, Jr., performed an organ furnished by Dr. J. W. Branch. David Pearson appeared in a number of solos; and Jackie Cleaver and Trudy Daugherty sang duets.

Gifts were distributed to all the girl contestants.

Judges of the competition were out-of-county people.

ORVILLE WORTHAM of McCaskill, was crowned "Miss Hempstead County" from a field of 10 competitors for queen of the Third District Livestock Show, on the stage of the Saenger theater Tuesday night. Janey's enraptured look as the big girls parade across the stage caught the photographer's attention, but it wasn't until after he checked up on the child's name that he knew why she felt at home on the stage steps — she was the daughter of the Saenger's manager.

## Stevenson Is Planning Many Speeches

LIBERTYVILLE, Ill. (AP) — Adlai Stevenson staked his hopes today on what may possibly be the most grueling speech-making campaign ever attempted by a presidential candidate.

His campaign director James A. Pinegan called it the "greatest grass roots campaign of all time." Before it begins, Stevenson and his Democratic vice presidential running mate, Estes Kefauver, will fly into every region of the country.

Stevenson called Pinegan to his farm home near here today to complete plans for the pre-campaign trip, which will be climaxed by a major political address on Labor Day, Sept. 3, in Detroit under labor union auspices.

In the grass roots campaign, Stevenson will work through many crucial states, county by county, mostly by automobile. "We know we cannot win a contest of dollars," Pinegan said in a statement. "The Republicans can outspend us 10 to 1. They'll have expensive television time to burn, but Gov. Stevenson is going to overcome this by carrying the election to the people and by making this a real person-to-person campaign, not just a canned radio-television one such as the Republicans are planning for Mr. Eisenhower."

There was no reference to the health issue in statements by either Stevenson or his campaign manager.

## Nixon Leaves for Bedside of Father

By RAYMOND LAHR  
SAN FRANCISCO (UP) — Republican leaders in conferences with President Eisenhower today nailed down the final arrangements for renomination of an Eisenhower-Nixon ticket by the GOP national convention late this afternoon.

For delegates to the convention it was a day of jubilation and joyful anticipation of victory for the ticket in November. But for Vice President Richard M. Nixon, on the eve of his triumphant renomination, it became a day of personal anxiety.

The youthful vice president was told by telephone that his ailing 77-year-old father, Frank, had taken a sudden turn for the worse at 4 a. m. PDT and was in a critical condition at his home in the suburban Los Angeles town of Whittier.

Nixon immediately canceled all engagements of what was to have been one of his busiest convention days. With his wife, Pat, and brother, Don, he boarded an airplane and left at 9:15 a. m. PDT for his father's bedside.

No one knew whether Nixon could get back here before the convention winds up. He was scheduled to make an acceptance speech, along with the President, at the close tomorrow evening.

## One of the Most Successful Men on Broadway Never Sang a Song or Played Hamlet

By HAL BOYLE  
NEW YORK (AP) — Today's success story:

One of Broadway's most successful showmen never sang a Mammy song, played Hamlet, or wowed the nation with a catchy punline. It is Cy C. Martin, an ex-shoeshine boy who has carved himself to the royal majesties, the "Top Bananas" of the entertainment world.

At 13, as stage-instructor he came down from the Bronx and set up a shoeshine box outside Lindy's restaurant at 51st and Broadway. Soon the ailed kid was brushing the brows of Eddie Cantor, Lee Shubert, George Jessel and Bert Lahr.

"I charged a dime," he recalled, "but they usually flipped me four bits or a buck." Cy then worked as a candy butcher in Times Square but-lesque houses when Milton Berle, Red Buttons and Jackie Gleason were young comics in the bump-and-grind industry. Then, after 16 years as a clothing salesman, he opened his own store — next door to Lindy's — only a few feet from the spot where he had first pitched his shoeshine stand. Broadway where very feller

needs a friend and the first law is palship, stuck by Cy.

"Jackie Gleason bought 75 suits from me the first three years I was in business," recalled Cy. Today his clientele includes such show world notables as Boyce, Jerry Lewis, Dean Martin, Tony Bennett, Jack Leonard, Sammy Davis Jr., Frank Sinatra and Edie Fisher.

Men performers are as clothes-conscious as women — the top earners spend \$10,000 a year or more on their outfits — and for a very good reason.

"Their clothing is an important to them as their material, their music, or any other part of their importance," said Cy.

"The days when Broadway figures swore low key chains, bell-bottom trousers and bright yellow shoes are over. They dress smartly now, partly because television requires it." Cy, whose store is in the former entrance to the Mark Hellinger Theater, runs it like a Broadway production. He even uses theatrical lighting for his windows.

## Stassen Won't Try to Block Nixon, Ike Says

By WARREN ROGERS JR.

SAN FRANCISCO (UP) — President Eisenhower announced today that Harold E. Stassen has abandoned his effort to prevent the nomination of Vice President Richard M. Nixon for another term and instead will make a second speech in behalf of Nixon.

Mr. Eisenhower told a suddenly-called news conference that Stassen made known his position to him during a conference this morning.

The former New York governor and twice the unsuccessful GOP candidate for president told the Republican National Convention:

"Every American can sleep better because the President is willing to give four more years of . . . steady and successful leadership."

"Our purpose is to be strong enough to prevent war and skillful enough to avoid having to prove it."

"Everyone knows today that, with a Republican administration, the American people can have prosperity and peace at the same time."

In his prepared speech, Dewey raised President Eisenhower as "the greatest leader of our time." He said Republicans are proud of Richard M. Nixon's record as vice president, which he called "distinguished and devoted."

Dewey, the GOP presidential nominee in 1944 and 1948, declared that Eisenhower and Nixon inherited from the Democrats a "chaos in world affairs" and a "mess in Washington."

Enlarging on his peace theme, Dewey said Eisenhower found when he took office in 1953: war in Korea and Indochina, pro-Communist leanings in oil-rich Iran, trouble in Trieste, a weakened European defense alliance, Austria occupied and Guatemala "a Russian outpost."

"New spirit and skill," he said, ended the Korean War, "averted threatened catastrophe" in Iran, settled the Trieste issue, "saved half of Viet Nam Indochina from conquest by the Chinese Communists," ended the Austrian occupation, drove the Reds out of Guatemala and shored up the Atlantic Alliance by bringing West Germany into it.

Each of these was an historic achievement for peace," Dewey said.

He added:

"The great difference between the Eisenhower administration and its recent predecessors is that it knows how to be strong and at the same time friendly, how to be firm for peace, not for war."

"Since Dwight Eisenhower became president the Iron Curtain has been moving back: From Poland to Hungary, the subjugated peoples are stirring with new hope of freedom."

## Suez Parley Is Nearing a Close

LONDON (AP) — The Suez Canal conference today neared its close with 17 of the 22 nations endorsing the Western Big Three's proposal to put the vital waterway under international control. But there was no prospect that Egyptian President Nasser would agree.

Instead it appeared the best that Britain, France and the United States could hope for — without fighting — would be Egyptian acceptance of India's plan for an international group to give advice only to the Egyptian canal management.

In brief, this was the outcome of the weeklong conference: Seventeen nations endorsed the proposal presented by U.S. Secretary of State Dulles for an international board, associated with the U.M.N., to run the 103-mile canal. The 17 were the United States, Great Britain, France, Australia, New Zealand, Pakistan, Iran, Ethiopia, Turkey, Denmark, Norway, Sweden, Japan, Italy, West Germany, the Netherlands and Portugal.

## Key Figure in \$85,000 Warrants Forgery Found Shot, Beaten in Hospital

### Financial Squeeze Expected by City, Meeting Is Called; to Lock Fair Park at Night

Hope City Council last night voted to hold a meeting with the Water and Light Plant Commission for the purpose of discussing financial problems and commitments which existed prior to formation of the Commission.

Supported by revenue from the Water and Light Plant the City has pledged various donations over the years which it will be unable to fulfill in the future as limited funds will be forthcoming from the Water and Light Plant.

Many Donations  
For instance the city donates monthly \$115 to the Hempstead Public Library; \$100 to the Chamber of Commerce; \$40 to the health nurse; \$25 to the Hope Band and \$3,000 yearly to the public schools and various other contributions.

Under the Commission the city expects to get possibly \$25,000 a year from the Water and Light Plant where in the past the figure has run as high as \$100,000 a year or more.

The purpose of the meeting is to discuss these contributions as the City will not be able to continue them.

To Lock Fair Park  
Fair park activities came in for a big discussion which resulted in Chief of Police Jack Brown being instructed to lock up the park at midnight when officers close the juke box at the band stand. Recent incidents led to the action. Also coming in for discussion but no action was the problem of young drivers. Under the law youths 14 to 16 can get a driver's license but can't drive unless accompanied by their parents. This law is universally ignored in Hope.

The council took no action on a proposal from merchants to change the parking fine hours to 9 a. m. and 5 p. m.

The group leased the Dykes Spring property to J. E. Ward for grazing purposes and decided to accept bids on lease of nine acres of city-owned land in the Proving Ground.

Courtesy parking tickets drew a negative vote and some salary adjustments were made in the health department.

## Junior Team Is Running Government

By JANE DAY

WASHINGTON (UP) — The Eisenhower Junior Team ran the government today while it posed as the Republican national convention in San Francisco.

President Eisenhower was always continued to be in charge and kept in touch from his convention headquarters.

The cabinet and junior boys also were available by television if they were needed.

But from one end of the capital to the other the on-the-scene action in charge in the big marble hall of the government was in the hands of the junior team.

From the junior team's headquarters in the White House, the junior boys were in charge of the government's daily operations.

# Democrat Scoffs at Tax Plank

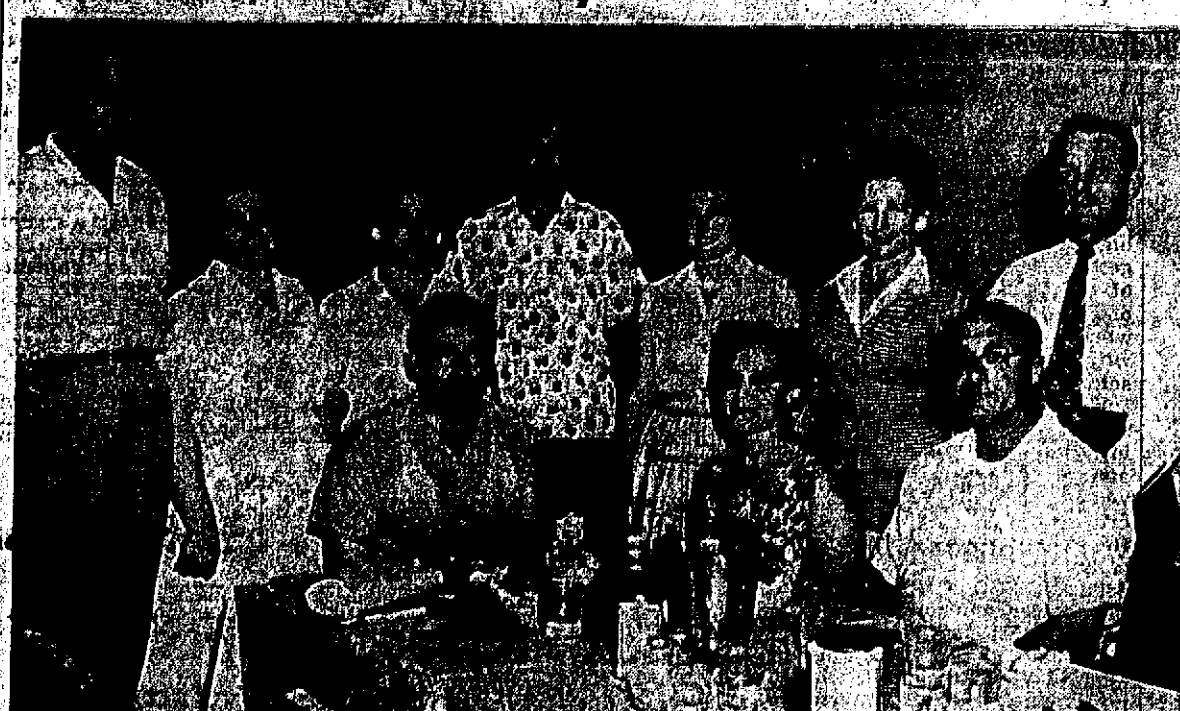

WASHINGTON (AP)—Democratic members of the House tax-writing committee scoffed today at the proposed Republican tax plank at the annual meeting of the American Tax Association in New York City.

The plank, which calls for a 10 percent increase in the federal income tax, was adopted by the House committee on July 10.

Democratic members of the committee, however, said they do not intend to support the plank. They said they would rather wait until the committee has completed its study of the plank and then make a decision.

The plank is one of the most significant pieces of legislation to be considered by the House in the coming months. It is expected that the plank will be passed by the House in the near future.

## Braves Maintain Lead in Hot National Race

By ED WILKS  
Of The Associated Press

Ted Kluwe, just "a hair in the lead" at season's start, now is keeping Cincinnati's Redlegs in the National League pennant race while beating off a challenge to his club home run title from rookie Frank Robinson.

The big first baseman, who has led the Redlegs in homers for five of the last six seasons, was "a hair in the lead" in the home run race last spring. An early home run, a double, and a home run in the eighth inning of a game with the Yankees, gave him a lead he has not relinquished.

Now he's back in business. In his last game, Kluwe hit a home run, a double, and a home run in the eighth inning of a game with the Yankees, gave him a lead he has not relinquished.

His 22nd homer, with a man on, tied the Redlegs in the eighth to beat Pittsburgh 7-4 last night. That left the Redlegs four games back of the front-running Milwaukee Braves, who gained half a game with a 2-2 doubleheader sweep over last-place New York Yankees in the first-place game.

The Chicago Cubs beat Philadelphia 6-1 in the other NL game. In the American, the St. Louis Cardinals beat the New York Yankees 2-1. The Cincinnati Reds beat the Philadelphia Phillies 3-1. ### Chinese Admit to Damaging a 'Chiang' Plane

TOKYO — Red China said one of its planes damaged a "Chiang Kai-shek" aircraft early today over islands southeast of Shanghai.

A Peking broadcast, without identifying the plane beyond the Reference to the American-supported Chinese Nationalist leader, said it had intruded over Chinese islands and made off after the encounter toward the southeast—the direction of Formosa.

U. S. ships and planes were searching for the naval patrol plane, believed downed by Communist Chinese aircraft 32 miles off Wenchow, China, at 12:25 a. m. local time. Nightfall came without any announced word of the results.

The missing plane, a four-engine P-40 Corsair, in its last brief radio message reported it was "under attack by aircraft" at 1:25 a. m. on Aug. 22, a. m. CST. Wednesday, a Navy spokesman said it then was 32 miles off Red China's shore.

Far East naval headquarters at Yokosuka, Japan, claimed a news broadcast on development.

A Navy announcement more than 10 hours after the plane sent its last message said search crews up to that time had found nothing, through they had scanned the East China Sea.

Vice Adm. Stuart Ingersoll, chief of the U. S. Formosa Defense Command, announced the Mercator "is assumed to have been shot down by the attacking aircraft."

A spokesman for the Far East Naval Forces said he could give no information on the nationality, type or number of the attacking aircraft. The Nationalist Chinese air force said none of its planes are in the area at the time.

It was the first attack on an American plane in the Formosa area since Jan. 1, 1953. On that date a Navy patrol plane was downed by 12 gunboats off Sanyuan and 21 men were killed. Another Navy plane was shot at while searching for survivors but was not hit.

The U. S. Navy spokesman insisted the Mercator was over neutral waters of the East China Sea at the time the attack was reported.

"It was then operating 32 miles off Chinese Communist territory," he said, "100 miles north of Formosa."

The four-engine plane, carrying four officers and 12 enlisted men, was on a "routine training and patrol mission" from Japan to Naha, Okinawa, the Navy said. U. S. patrol planes operate in the area.

### Case Against Fat Sergeant Dismissed

FT. CARSON, Colo., (AP)—That fust over 19 pounds around a professional soldier's waistline is going to cost the Army a mess sergeant.

Settling Love, 34, said today the Army has quietly dropped plans to court-martial him for being overweight.

But it doesn't make much difference, Love, confided. He'll resign the Army in October and enlist in the Air Force.

Love, a veteran of 12 years' service, said he was among a "handful" of 8th Infantry Division officers and men facing court-martial for failure to meet off excess fat as ordered. He weighs 212 pounds, and said he had been ordered to trim down to 185.

A mess sergeant who admitted liking good food, Love said his unit commander advised him yesterday that his charges against him have been dropped.

"But it doesn't make any difference," Love said. "I'll complete six years of my current indefinite enlistment on Oct. 4, and I'll be in the Air Force."

Why the Air Force? "I'm a native of Cincinnati," Love said.

### McCool Charged With Forgery in Warrant Case

PINE BLUFF, (AP)—J. Thurman McCool hospitalized and silent, today faced charges of forgery and uttering in connection with one of three phony state warrants that turned up Tuesday.

Prosecutor Pat Mullis said McCool, 48-year-old owner of Office Supply & Equipment Co., here was served with a bench warrant and had posted \$2,000 bond.

An attorney retained by McCool said his client had no statement to make.

McCool is hospitalized with a gunshot wound in the left arm and a head injury. His condition was described as "not critical." Cause of the injury was not known.

McCool was admitted to the hospital several hours after three phony warrants, totaling \$8,072, bounced at the state treasurer's office at Little Rock.

The false warrants, carrying no written endorsement, were stamped, "For Deposit Only. Office Supply & Equipment Co., Inc. McCool is owner of the Pine Bluff firm."

Deputy State Auditor B. E. Friday said the warrants, which he said were genuine, apparently were stolen and forged.

Efforts to locate McCool Tuesday were unsuccessful. His wife said he was traveling in south Arkansas on business.

Mullis said McCool was charged on the bench warrant with forgery and uttering in connection with the warrants. He said McCool could be charged later in connection with the other two warrants, made out for \$8,072 and \$9,341.80.

W. A. Stone, president of Simmons National Bank here, said McCool cashed three warrants Friday and withdrew \$3,750 in currency from the bank's holdings. \$80,000 pending investigation. The remainder of the amount received by McCool's company, however, has been "used" to pay off prior obligations of McCool's company.

The discrepancy in the warrants was discovered in the state treasurer's office. Bank here, said McCool, father of two children, organized Office Equipment & Supply Co. in 1948. The firm has done business with the state several years and was paid through the customary process of issuing warrants, similar to checks.

### Conservatives Seek Third Party Group

CHICAGO (UP)—Another political convention will be held here Sept. 4-8 when "conservatives" from 28 states meet in an attempt to form a third party.

The meeting will be known as the State's Rights Group, according to Robert Bent Tait, chairman of the convention, listed the following as the principal groups involved:

States: Rightists from four Southern states, constitutionalists from seven states, conservatives from three states and independent elector planners from 14 states.

He did not name the states involved, but he said between 400 and 5,000 persons are expected to attend.

Tait, cousin of the late Republican Sen. Robert A. Taft of Ohio, said presidential nominees include Gen. Douglas MacArthur, former commander of Internal Revenue, Douglas MacArthur, Sen. William E. Jenner (R-Ind.), Sen. Harry Byrd (D-W.Va.), Sen. Charles McNary (D-Utah), and former Gov. Strom Thurmond of South Carolina.

Seven daughters, Mrs. Lucille Hart of DeQueen, Mary Pearl Hooton of California, Snow Hooton of Washington, D. C., Mrs. Bobby Jean McAdams of Taylor, Mrs. Noble Adams of Mineral Springs, Mrs. Hazel May Beck of Dallas and Mrs. Lena Belle Rutherford of California.
